The last few weeks in a recap: What have we been up to?

We had Sports week last week and this week we've been getting our creative juices flowing making Rubbish Robots and other recycled crafts. Some activities the children have enjoyed:

- Creating their own ribbon wands
- Creating various horse themed crafts on Melbourne Cup Day
- Taking part in a Football Skills competition
- Taking the beep test against their friends
- Various games of tiggy
- Friendly downball competitions
- Creating a robot entirely out of recycled materials
- Creating robot finger puppets
- Creating a dancing robot
- Making new paper out of recycled paper
- Creating a robot out of melty beads

Fruit smoothies/shakes!

Last week the children enjoyed an Apple Pie flavoured smoothie. This week, it was kiwi mango and banana flavoured.

The children have been getting a lot move involved in the menu planning, and have chosen a majority of their own fruits, vegetables and smoothie flavours this term. Next week: 13th – 17th November

Our theme will be:

Book week!

Children will get to make various Book and fantasy themed arts and crafts. Friday is a curriculum day, but we will still be open from 6.45am-6pm for those needing to book their children in. There are still a couple of places left, we have lots of fun activities planned for the day!

Rocketeers news!

The time is once again here to sign up for the school holiday program held at Ocean Grove Primary School.

For more information, head to the Camp Australia website or speak with our friendly educators.

We are continuing to focus on your CA Enrolments and Medical Information forms this week.

Please make sure yours are up to date by checking online on our CA app.
