

## Chess Classes

Each lesson we learn a new strategy, tactic, moves or about a famous player or event. After our formal theory lesson we play games. All games are tracked and monitored by our Tornelo software and players results count towards their chess "rating" (*a measure of progress and performance*).

## Build Your Mental Muscles

suitable for Kids aged 5-14 with enquiring minds, who love developing their strategic skills.

During Chess Classes students will learn develop the following skills:

- Problem solving
- Tactical and strategic planning
- Lateral and logical thinking
- Decision making
- Locus of control
- Visualisation
- Memory
- Visualisation
- Resilience
