This term, we are looking forward to completing more interactive and immersive experiences in the Italian classroom and can't wait to see student's growth! Keep an eye out on SeeSaw to keep up to date on what students are doing in Italian.

Grades Prep, 1 & 2

This term, students will be focusing on **La famiglia** (*The family*). Students will start the term by first learning how to express their name, age and how they are feeling in Italian before learning how to talk about their family. Students started learning the song [*Come ti chiami?*](#) this week and we are looking forward to seeing their growth throughout the term.

Grades 3 & 4

This term, students will be focusing on **La scuola** (*The school*). Students will start the term by first learning the objects and places found within our school. Following that, students will then learn how to express how they feel about different aspects of school life and how to tell the time in Italian. Next week, students will be completing a Scavenger Hunt around the school which will help consolidate their vocabulary knowledge.

Grades 5 & 6

This term, students will be focusing on **I mezzi di trasporto** (*Means of transportation*). Students will start the term by learning the different modes of transport and learn how to conjugate the verbs *andare* (*to go*) and *prendere* (*to take*). Following that, students will learn how to tell the time and how to navigate a train station in Italian. This week, students enjoyed learning how to conjugate *andare* on Blooket and they did a fantastic job!
