PRINT, SIGN & GRAPHICS

Careers Webinar

The Printing and Graphic Arts Industries works with and across a multitude of industries. Every product or service needs advertising, marketing, packaging and labelling.

Whether it be printed or online, beer cartons or toothpaste packs, business cards or roadside billboards, Printing and Graphic Arts products are everywhere.

This webinar provides high school students and parents the opportunity to hear from industry leaders about the career options available.

- > You will be able to ask questions and receive feedback.
- > You will find out which school subjects will best prepare you for a career in the industry.
- > Along with advice on the training options available while you're at school and after you've left.
- > Check out this [SHORT VIDEO](#) on the printing and graphic arts Industry.
