

The Mount Carmel College

LEGO BRICK

Build And Give

Have you got LEGO or DUPLO bricks and figurines that you no longer use?

Why not donate them and help those less fortunate in our community?

Bring your bricks and figurines and drop them into the buckets located in the College Library or Office by the end of Term Three.

The bricks don't have to be a complete set, nor do they have to be from the same set...they just have to be LEGO or DUPLO brand bricks and figurines.

From the donations, the Primary Mission Sisters will create assortment packs and donate them to the Hobarts Women's Shelter and the Migrant Resource Centre for them to put them into the hands of children to own and enjoy building new creations.
