

# SPECIALIST TEACHERS

## ABOUT MARGARET

Hola! My name is Margaret, and I'll be teaching Visual Arts to all Foundation to Grade 6 students at Newlands Primary School in 2025. We'll explore exciting techniques and artists using pencils, paints, clay, and papier-mâché, and showcase our work at the Art Festival! I love watching my daughters play sports, painting, reading, and visiting art galleries. Fun fact: I once lived in a small gold mining town near the Grampians!

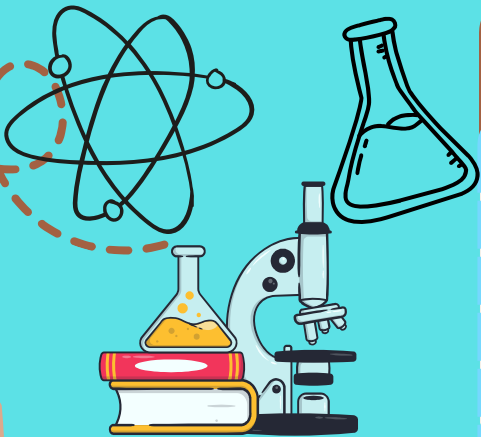

ART

## ABOUT RAEMA

My name is Raema. I teach STEAM. That stands for Science, Technology, Engineering, Arts and Maths. We get to do lots of cool things in STEAM like experiment, design, create and code. But the thing we do the most is have fun! I enjoy going for walks by the creek and noticing the small, interesting details of nature. I have a degree in Biological Sciences.

STEAM

## ABOUT FELIPE

Hey there, lovely people! My name is Felipe and I am super thrilled to meet you all! Let me tell you a little bit about myself. Ten years ago, I took a leap of faith and traveled to Australia to pursue my passion for music and teaching. And now, I am beyond excited to share my musical skills with all of you at NPS. Can't wait to meet you all!

## ABOUT NERIDA

¡Hola! Me llamo Nerida. With our 1/2s, I look forward to inquiring into our local environment and increasing biodiversity in our school grounds. Everyone will have a green thumb by the end of the year! With our 3/4s, I look forward to inquiring into the issues that affect them, drawing upon philosophy at times, and empowering them to create positive change.

Inquiry

## ABOUT SRA. KARREN

Hi Students! I'm Sra. Karren, your wellbeing specialist teacher for 2025. I can't wait to see you in our lessons! I've taught for over 10 years, from grade prep to grade 6, and I love helping students thrive. I enjoy photography, relaxing at the beach, and indulging in delicious Peruvian food when I'm not at school. Let's make this year amazing together—I'm here to support you every step of the way. See you soon!

Wellbeing

## ABOUT RAÚL

¡Hola! My name is Raúl, and I'm your Health and Physical Education teacher! In PE, we have so much fun moving our bodies, playing games, and using lot of equipment like balls and hoops in the new gymnasium. I love exercising, playing with friends, and reading cool books. Here's a fun fact: I have 10 chickens at home—can you believe it? I can't wait to play and learn with you!
