WHAT'S BEEN HAPPENING

Dear families,

We had an exciting and activity-filled week! The children engaged in various hands-on activities that sparked their creativity and fostered teamwork. Here's a glimpse of what we did:

The kids enjoyed building Plus Plus creations, with Jacob making an impressive Fire Truck. Harley painted a beautiful rainbow, and the Lego competition showcased amazing engineering skills. The UNO challenge and Dash Away All cards game were big hits, encouraging strategic thinking and quick coordination.

Imaginative play was in full swing with our 'play bakery' and 'play clinic', and the tracing challenge enhanced fine motor skills. Ethan took the lead in a cooking activity, demonstrating excellent organization and leadership.

We are incredibly proud of all the children's achievements. Their enthusiasm and creativity were truly inspiring. We'll continue to support their interests with more engaging activities next week. Don't forget to book your children for the upcoming winter school holiday program, which promises to be packed with fun and adventures.

If you have any questions or feedback, please don't hesitate to reach out to our team.

Warm regards,

Eric

Director of Team Kid Before and After School Care
