## Around the Grounds

### 6A

Once again, the mighty 6As fronted up after a solid week on the track. Practising our ball movement in traffic was our focus this week. Our boys were brave until the final siren. Unfortunately, it wasn't to be our week with Villa displaying a dominant Performance. With one week to go let's get down to business and finish the season with a win!!

### 6B

A tough contest this week for the 6Bs who showed growth in the return leg against Villanova this week. A promising first quarter showed what the team is capable of, however the boys couldn't quiet produce a four-quarter effort. Looking to learn this game and roll on into the last week of competition.

### 5A

The game was close heading into the final quarter, but 3 goals in 4 minutes finished us off early. The boys have sown great improvement since we played Villanova earlier in the season.

### 5B

It was a challenging game for the 5Bs this week. Efficiency with our passing is what we will be working on in training.
