

Dear Parents and Students,

On Monday 17th August & Tuesday 18th August (Week 6), we will hold our Extra-curricular photo days. The photos will form an important part of our Unison Magazine.

Below is the timetable for the two days. If you are a part of any of the following groups or teams, you will need to be in the HOB 10 minutes prior to the scheduled time. **Please note what uniform you need to organise for the day/s.** You may have to bring both Formal and Sport Uniforms for photos, depending on the photo you are in. Those students who are listed to wear only a Sports Uniform, can wear that uniform for the day.

Please ensure you are meeting the College expectations with regards to personal grooming. Failure to meet these expectations will mean that you will be ineligible to join in the photo.
