

# HEALESVILLE SANCTUARY

Zoe 4B

On Monday I was rushing to school because the whole of year three was going on an excursion to Healesville Sanctuary. We had to be at school at 8:30. When we got to school we got on the bus it was about one hour and a half to get to Healesville Sanctuary. Finally we got there. We went to see the Kangaroos they were very lazy. Then we went to sit down and someone came and told us we had like a lesson at 11:00. Now we were going to see the Koalas on the way there we saw some echidnas. When we got to the Koalas one was asleep, one was eating and we even saw one jump. It was almost 11:00 we needed to go to our lesson when we got to our lesson we did some designing about a Bird house then with some cardboard we made but then we needed to take it all a pure agen. After the lesson we went to see the animals of the Night when I was entering I could feel a breeze of air all over me. We saw these animals that looked like rabbits we trotted along looking at all the different animals. After we looked at animals of the Night we were in the reptile space. After that we had some lunch after that we went to the bus and we saw some animals when we were heading to the bus. When we got on the bus and went
