Teams need to consist of three students one of which should be designated as Captain. The Captain is responsible for ensuring that all players in the team are logged in and ready for their games. All three players will be required to play at the same time.

This will be a free trial period however, when the competition starts in full it will incur a small entry fee.

The competition will take place from **Tuesday 2nd June and will start at **4:30pm**.**

You must have the Rocket League game, a gaming console (PS4, Nintendo Switch, Xbox One) or you can download it onto a gaming desktop.

To be able to compete in this event you will need to nominate yourself with your team name:
