## Rocky River School History

A few historic photos were recently posted on social media. These are a great snapshot of school life in years gone by (c.1926).

**That's almost 100 years ago!**

With the 100 day of school celebrations happening at the moment, it seems like a great opportunity to share these with our school community!

## School Disruptions

With all the changes to learning our students and teachers have endured in recent times, it has been an absolute credit to the leadership and commitment of the staff and the resilience of the students to have maintained a positive mindset.

You  
guys  
ROCK!
