Interview with save the trees club

Q.1 Why did you decide to start a club?

It is because we hate seeing people pull bark off the trees.

Q.2 Did you ask someone to put more trees in?

Yes, we asked Mrs Dumicich.

Q.3 Can other children join the club?

Yes, we already have sixty-five members!

Q.4 What do you plan to do now?

We plan to stop people ripping leaves and bark off trees and do a fundraiser.

Q.6 Do you have any meetings?

Yes, we do, every lunch.

Thank you, Save the trees club for your time

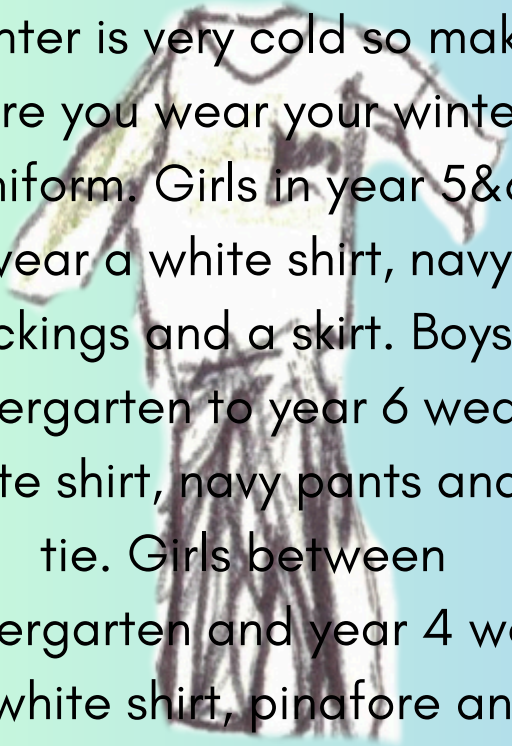

Orange vests

You might have noticed some year 5&6s wearing orange vests. They are to talk to you if you are fighting with your friends, and they might say stop fighting or please stop that. Do as they say.

The Primary Press

Winter uniform

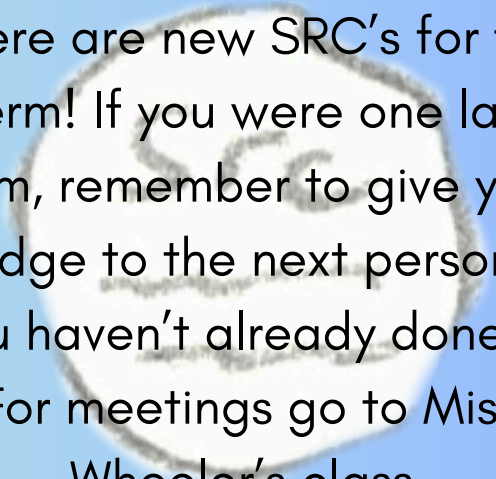

Winter is very cold so make sure you wear your winter uniform. Girls in year 5&6 wear a white shirt, navy stockings and a skirt. Boys in kindergarten to year 6 wear a white shirt, navy pants and a tie. Girls between kindergarten and year 4 wear a white shirt, pinafore and navy stockings.

SRC's

There are new SRC's for the term! If you were one last term, remember to give your badge to the next person if you haven't already done it!

For meetings go to Miss Wheeler's class.

Playgrounds

Kindy and year 1 are allowed on the playground closest to the log. Years 2-4 are allowed on the one closest to the oval. Year 5s&6s are allowed on the new K-block playground. Have fun!

Reminders

There are some things we need to improve in primary school. For one, picking up rubbish. Two, you need to remember which playground you're allowed on and stay on that one.
