

# SPX CRICKET MATCH REPORT

## SPX 2<sup>nd</sup> XI 78 defeated by St Pats 8-165

Daniel Mooney 2-16      Ryan Kelleher 2-18      Liam Chang 2-42

Once again, the SPX 2<sup>nd</sup> XI were greeted with a perfect Oxford Falls wicket and perfect weather for a game of cricket. With the boys knowing that this game was a must win we were all ready and focused on the task ahead. With St Pats winning the toss and electing to bat they set a challenging total of 165. With some tidy bowling from Ryan Kelleher 2-18 and Daniel Mooney 2-16 this helped to restrict the St Pats batsmen to a respectable total.

With the Pius boys knowing that St Pats had a strong bowling attack we knew that we would have to show intent from ball one to chase down the total.

Unfortunately our batting wasn't up to scratch with only 2 batsmen scoring in the double digits which lead the Pius team to being rolled for 78.

This was definitely not the result that we were hoping for. This week we need to stay on task with our training and remain focussed and be fully prepared to meet St Andrews on their home turf.
