STEMSEL INVENTORS CLUB

Monday, 3 July 2017

Dear Parents and Caregivers

I am pleased to announce that the STEMSEL Inventors Club will be continuing again in term 3. It will continue to be held after school on Mondays for students in Years 3-7. The club will recommence in week 2 on **Monday 31st July, 2017** for the remainder of the term.

Once again there will be only 20 places available for students in term 3 with existing STEMSEL club members wishing to continue next term given first priority. There will however be a limited number of places available to students who would like to join the club for the first time.

STEMSEL stands for Science Technology Engineering Mathematics Social Enterprise Learning. Students will learn about how inventions can help people and then make a new and different STEM Interactive Project each week using STEMSEL Controllers and Graphical Programming. Make and code projects such as Alarm System with LED lights and buzzers, Street Light a light sensor, Temperature Controller with a fan and lamp, and many more.

All personnel running the program have had the appropriate DSCI screening approval and school leadership will be onsite whilst the program is operating.

The cost of the program will remain at \$20 per week / \$15 for second student if brother or sister (cash each session or direct deposit). The total cost for term 3 will be \$140:00 (7 sessions x \$20). If paying cash weekly the payment needs to be given to the facilitator at the session. Please note that the STEMSEL Club will not operate on 21/08/2017 and 04/09/2017 due to school closure days / public holiday.

Please complete the consent form attached if you would like your child to attend and return to the front office by Friday 28th July. To pre-pay for workshop sessions, please use this direct deposit account and include "West Beach PS" and the child's name in the details:

Bank Deposit Details:

ANZ Banking Group Ltd
Branch: Hutt Street, Adelaide
Account Name: Labtronics Technology P/L trading as eLabtronics
BSB: 015-056
Account No: 481741482

Please contact the school if you require any more information.

Kindest Regards

Katrina Sexton
