Ensuring Safety and Preparedness at OSHC

We know that we sit alongside our parents as we are there when they can't be. Therefore, safe care is the most important pillar in what we do every day. To ensure that we are fully prepared and equipped to give care to the kids, especially to those who have medically diagnosed condition or allergy. We will require our parents to submit fully completed medical forms or if you have submitted the forms previously, you will need to have it updated if there are changes with your child's condition or medication.

The following medical forms is required to help our staffs take better care of your child as per his/her needs;

- **Authorisation for Management Plans to be Followed** – This form must be completed by the Parent and attached the Medical Management Action Plans provided by their family doctor.
- **Medical Authorisation Form** – it needs to be submitted and signed by the Parent if his/her child requires medication to be administered while attending the program.
- **Medical Management Forms** – 1 form should be completed by your Doctor per diagnosed medical condition.
