

# Instrumental Music Program at St John's PS

At St John's a number of musical instruments are able to be learnt. Lessons happen during the school day and special attention is made so that students rotate their lesson times and do not regularly miss the same subjects. Lessons are available in small groups or as solo lessons. If you would like to find out more about learning an instrument at St John's or would like to enrol your child in the instrumental music program, please fill in the form below and return it to the school office.
