

Completing an Absence on Compass

Completing an absence note on Compass is quite simple and is preferred to you writing and sending an absence note with your student. You need to complete an absence for your student whenever s/he is :

- absent for one or more days
- arriving late to school
- leaving school early
- leaving during the day and later returning to school

Log into Compass. If you are using a smart phone click on the *three horizontal lines* at the top right hand corner and select *Open in Browser*. This will mean you are using the entire suite of Compass software instead of an abridged version.

You will see a screen similar to this, containing your student(s) details.

Welcome to the Vermont Secondary College Portal

Use the links listed for each of your children to explore the portal. Please keep your mobile phone number and email address up to date (Tools > Update My Details). The school will use this to contact you regarding attendance, events, news and more.
