June, 2020

Dear Parents,

In our history unit Kindergarten have been exploring the past, the present and the future. In particular we have been exploring how stories of the past can be told and shared. To do this with authenticity, we would like to ask parents to share some photos of personal or family treasures.

Baby treasures would be one way to explore the student's personal history like, their favourite baby toy, first baby outfit, favourite story when they were little etc.

Family treasures could be an item that has been passed down from generation to generation such as medals, jewelry, family crests etc.

If these photos could be emailed to info@sibdow.catholic.edu.au with a little explanation we would love to share these in class.

We are also going to assign a SeeSaw activity for you to complete. This activity will explore your family origins, which will be used to complete an activity in class.

Thanks in advance for your contributions to our history learning.

Many thanks,

Kindergarten Teachers
