

Our Kindergarten Orientation sessions provide an excellent opportunity for your child to meet other Kindergarten children, to experience our Kindergarten classrooms first hand and to meet our experienced and highly skilled Kindergarten teachers. Students will be involved in a variety of activities during the sessions. Each activity is designed to provide our teachers with valuable information about your child.

Each visit of our Kindergarten Orientation Program is extremely important. We encourage children to attend each session of the program. Children become more comfortable in the school setting as the program progresses, and as a result our teachers are able to bond with your child and gain a detailed insight of the skills your child brings to school.

Please follow our school on Facebook to keep informed, you can also view our current newsletters on our school website www.boambee-p.schools.nsw.edu.au

The Uniform Shop will be open 10:30am until 1:00pm on the 23rd November for the purchase of uniforms. It is not necessary for your child to wear school uniform to the transition activities.

At Boambee Public School we are committed to providing the ideal learning environment for your child. We trust that your family's time with us will be rewarding.
