***** ALWAYS PRIORITISE TRACK OVER FIELD *****

Where a competitor is involved in a field event and track event at the same time the track event takes precedence. After notifying the relevant official at your field event you may go to compete in your track event and return to your field event and start at where ever the field event is at. High Jump events except Yr 12 are contested over the lunchtimes leading up to today's carnival. N.B. Presentations will be made at school at the next scheduled assembly.
