Nationwide STEM outreach program for Students in year 9 or 10 in 2019/20

A three-day or four day hands-on practical STEM program, will be conducted again in 34 Australian universities and tertiary institutions throughout 2019-2020. The programs are non-selective and open to all students in Years 9 and 10. Each program includes a wide variety of practical activities, excursions, career information together with interesting presentations by leading Australian scientists and engineers.

This is a Rotary Youth Services Project, supported by the Australian Science Teachers Association and The Young Scientists of Australia. Local Rotary clubs are often willing to sponsor students to attend, so please contact your local Rotary club for details, if funding is required.
