

The Untold Story of Hitler's Daughter

In 6E we have been reading the book *Hitler's Daughter*, here is a bit of information on the book we have been reading, hope you enjoy it!!

Summary of Hitler's Daughter:

Anna (a side character), told of a tale named *Hitler's Daughter*, a young, oblivious (not aware) girl's journey. Hitler -Duffi- has kept dark secrets from her daughter; Heidi only knows very little about the mean and upsetting things Duffi did. One day, Hitler's daughter learns of more than her small, protected, influenced world, Heidi is drowned in a pool of knowledge...Mark gasps, could any of this be true? Could a daughter love her father?

The Aryan Race

The Aryan Race was a historical race that the Nazis created. To be an Aryan, you must have fair skin, have an appropriate height, blonde hair, and blue eyes. The Aryan Race was idolised and glorified by the Nazi party, thinking it was far superior to others. The Nazi's wanted an entire population consisting of the Aryan race and wanted to ensure its survival by the destruction of others.

War 2 History:

World War 2 is one of the longest and most brutal wars in history. It all started when Hitler was appointed Chancellor (President) of Germany. Hitler attacked Poland on

September the 1st 1939. He had won the invasion of Poland and wanted to attack more territories for Germany to expand, so Britain and France declared war on Germany. Later on, Hitler had started attacking more and more land with his axis friends, Italy and Japan. As a result, America and Russia also declared war, with Britain and France, and the Allied Powers won!

Rationing :

Since World War 2 was occurring, rationing was strictly introduced in mid-1942 to manage any shortages of supplies and control consumption. Rationing also aimed at reducing consumer spending so that it would lead to better savings later on in life and greater investments in the government war program. The person who was in charge of rationing supplies was the Minister for War Organisation. Every Australian citizen received a ration book with 112 coupons. Used coupon books were exchanged for new coupons and so people had to plan their expenditure. Rationed goods were based on quantity and supply.

Nazi Party:

The Nazi Party was a political party in control of Germany from 1933 to 1945 by Adolf Hitler. It created a huge crisis leading to a massacre of European Jews and a great world war. Nazi controlled the entire part of Germany when they came into power.
