

GALILEE REGIONAL CATHOLIC PRIMARY SCHOOL

IN CHRIST WE LIVE, LOVE & LEARN

Friday 30th October 2020

Dear Parents,

Last week we sent communication regarding awaiting updates on COVID-19 restrictions and the impact on our Prep Transition Program. Metropolitan Melbourne has now moved to the Third Step of the roadmap for reopening.

What does this mean for us?

The Catholic Education Melbourne's School Operation Guide states that: "Small group kinder-to-school transition activities are permitted in schools in both metropolitan Melbourne and regional Victoria, such as parents, educators and children meeting a Prep teacher in a school environment. Group size should not exceed 10 people and no intermixing with other students at the school should occur."

To ensure minimal changes to the remaining Prep Transition sessions, we will run:

Session 4, Week 5, **Wednesday 4th November 2.00pm-2.30pm, as an online session.**

Children with surnames beginning L-Z link: <https://meet.google.com/bjn-niyv-ybs>

The remaining transition sessions will occur **ONSITE**:

Session 5: Week 6: Monday 9th November 9am - 9.50am: sibling children of current Galilee students

Session 5: Week 6: Monday 9th November 10am - 10.50am: non-sibling children of current Galilee students

Session 6: Week 7: Wednesday 18th November 2.00pm-2.50pm (A-K)

Session 6: Week 8: Wednesday 25th November 2.00pm-2.50pm (L-Z)

Session 7: Week 9: Wednesday 2nd December 2.00pm-2.50pm (A-K)

Session 7: Week 10: Wednesday 9th December 2.00pm-2.50pm (L-Z)

A reminder of the following changes that were advised last week:

- The Parent Information Session on **Wednesday 11th November**, will be online from 5pm - 5.30pm. A TryBooking and Zoom link will be sent to you closer to the date.
- Monday 14th December 2.30pm - 3.25pm session has been cancelled.

We thank you again for your continued understanding and adaptability to the changes in our Prep Transition Program. We look forward to welcoming you as parents and guardians to our community, in person, in 2021 when restrictions allow.
