

OAKLEIGH GLENDI

2018

Sat 3rd & Sun 4th November

Local Business Partnership Opportunity

Dear business owner,

Now in it's 6th year, the Oakleigh Glendi will be held on Saturday 3rd and Sunday 4th November 2018 at Warrawee Park Oakleigh.

The Oakleigh Glendi attracts over 15,000 people and is an exciting celebration of cultural diversity with an emphasis on Greek culture through music, performance and food.

We would like to extend this opportunity to local businesses to be a part of this fantastic community event.

There are several ways to be involved including coming on board as a Business and Support Sponsor.

The Oakleigh Glendi is the perfect opportunity to showcase your business on a personal level. The festival appeals to so many and draws such a diverse crowd including parents and their children, teens, young adults and the middle aged whilst also attracting a large segment of the elderly demographic.

By coming on board, we will make sure that each participant knows who you are through extensive advertising and promotion. Your company will be associated with one of the most amazing cultural festivals in Melbourne!

We look forward to hearing from you.
