

Topic	Key Points
<p>Enacting our Living Vision</p>	<p>Term 1 proved to be one full of activity & energy, with many opportunities to enact the vision and mission of Sacred Heart as a school community.</p> <p>Examples of our Living Vision enacted throughout the second half of the term include:</p> <p><u>Belonging & Taking Action (Christy)</u> Working together to ensure our documentation and evidence is accurately capturing the work done to support all students, particularly those with additional learning needs.</p> <p>The work that we have done to provide a safe and inclusive learning environment for our students</p> <p><u>Partnership (Anthony)</u> The Combined Schools Day provided an opportunity for the two parish schools of Sacred Heart and St Margaret Mary's to come together to celebrate the Feast Day of St Joseph, get to know one another more and build partnerships and foundations for future collaborations.</p> <p><u>Community (Vivian & Anthony)</u></p> <ul style="list-style-type: none"> ● House Cross Country event ● Colour Run ● Harmony Day ● Class Masses <p><u>Relationships (Kaylene)</u> The Easter & holiday break gives us time to build relationships with our families and friends. Without balance in our lives, we cannot bring our best selves to work, our students, families and colleagues.</p> <div style="text-align: right;">  </div> <div style="text-align: right;"> <p>Congratulations!!</p>  </div>
<p>Lent & Easter 2023</p>	<p>The Lenten and Easter seasons are significant in the school year calendar as a Catholic school. During Easter week, the children planned for and participated in short prayer services to tell & enact the story of one day in the Easter week calendar. For some of our children, this is their only experience of the true meaning of Easter for us as a faith community. The children, parents and educators joined together to recall the Easter story and give thanks for the sacrifice Jesus made for us.</p>
<p>Building Community Partnerships & Family Engagement</p> <p>ANZAC DAY CEREMONY - NEWPORT RSL 2023</p>	<p>The Sacred Heart School Captains & Vice Captains represented our school proudly on Tuesday, 25th April at the Newport ANZAC day ceremony. Amalia, Michael, Hollie and Tyler spoke articulately and confidently about significant women who have served our country and laid a wreath on behalf of our school community.</p> <div style="text-align: center;">  </div>
<p>Prep Enrolments 2024</p>	<p>Talk & Tours continue to be well attended. The most recent one held last week on Friday had the</p>

largest numbers to date. In talking to those attending the tours, anecdotally the conversations would suggest that most families are attending a number of schools in the area, both Catholic and Government schools, before making a decision. Families are coming from Yarraville, Kingsville, North Altona and other suburbs to attend the tours. Our final tour is next week and interviews will begin soon after.

Harmony Day 2023

Kids enjoy a world of discovery

Pupils from Newport's Sacred Heart Primary School celebrated all cultures earlier this week. As part of the school's Harmony Day celebrations on Monday, March 27, pupils donned a range of different cultural clothes. *Star Weekly* photographer Damjan Janevski visited the school to capture the festivities.

Community & Fundraising

A small group of Year 3 students approached me during Term 1, asking if they could initiate a fundraising project to support the Royal Children's Hospital Appeal for sick children and research.

The students, with the support of Lyndal, organised a Plant Sale drawing on donations from the local community. The students raised \$665 for the appeal and we were very proud of their kindness, initiative and leadership skills demonstrated.

OHS, Maintenance & Improvements

Sacred Heart will be undergoing an Occupational Health & Safety Assessment on Monday 8th May, undertaken by Melbourne Archdiocese Catholic Schools staff. A full report will be provided to the school after this date. Aspects to be assessed include Contractors, Working Alone in Isolation, Bullying & Harassment Policies and Practices, Risk Management for Camps & Excursions, Emergency Management and First Aid.
