MCA 5B 8.6.54 def. SLC 5B 8.4.52	3 – Aidan Marshall 2 – Jack Martin 1 – Charlie Champion

Around the Grounds

6A

The mighty 6As were not so mighty this week. Our skills matched a talented Saint Laurie's side in the first half; however, we became undone in the second half. Communication in sport is a skill which becomes second nature when practiced. Our learning intention this week will be to hunt in packs, communicate, and hopefully move the ball into dangerous areas!

6B

Another strong win for the 6Bs this week, who are continuing to show intent and growth on the football field. Contest work and goalkicking were a highlight, with rapid ball movement out of the centre causing all sorts of problems for the St Laurence's backline.

5A

Tough day for everyone. It was a close game at half-time but Laurie's finished off stronger. A lot to work on this week at training, particularly game awareness.

5B

The 5Bs fought back from 20 points behind in the last quarter, to win by a goal on the full-time siren. Even in the toughest of circumstances the team was able to galvanise and secure a win. This week we will continue to focus on marking up on players as this was an issue throughout the match.
