UAC

Year 12 Video Advice from UAC – How to Apply

Our quick video guide for Year 12 students applying for undergraduate courses through UAC.

<https://www.youtube.com/watch?v=fxXSmZcXTJI>

Steps to Apply to Uni – UAC

If you are unsure about what you'd like to do when you finish school, and are wondering if university is for you, you are not alone. Just remember that university isn't only for the brightest students or for those with a specific career path in mind. Uni is for anyone who's committed to reaching their full potential and wants to acquire the skills and experience to achieve their goals. Keep your options open by taking the time to understand how the university application process works, how institutions use the ATAR to select students, non-ATAR pathways to tertiary study, and the many levels of financial support available to you.

University

University of Wollongong - Cyber Academy

The first-of-its-kind, the Cyber Academy is an inclusive program combining nationally recognised qualifications with paid, on-the-job training. Develop a career in the fast-growing cyber security sector and meet the needs of a changing technological landscape.

You will fast-track your career in cyber security by completing a three-year professional apprenticeship program that offers:

- Industry experience. Work at Deloitte, an industry partner or a government department.
- Paid employment while you study.
- Ongoing coaching and mentoring.
- Access to Deloitte's graduate program and bootcamps.
- Upon completion, you will have earned two qualifications: ICT50220 Diploma of Information Technology (Cyber Security) from TAFE NSW and a Bachelor of Computer Science (Cyber Security) from UOW.

University of Sydney – Test for Bachelor of Veterinary Biology and Doctor of Veterinary Medicine

All applicants are required to complete the Casper online testing (via Altus Suite) for the 2023/2024 admissions cycle.

Friday 15 September 2023 - 10am AEST

Sunday 15 October 2023 - 10am AEDT

Sunday 12 November 2023 - 10am AEDT

Tuesday 5 December 2023 - 7pm AEDT

Altus Suite is a standardised, multi-part online assessment that measures different competencies and attributes important for successful students and graduates of these programs. It is a 100–120 minute online, open-response situational judgment test.

UTS - Support your UAC application with the Engineering and IT Questionnaire

If you fall short of the selection rank requirement by one to three points, we will still consider your application if you:

- submit the Engineering and IT Questionnaire and demonstrate a strong motivation to study engineering or IT
- achieved a minimum selection rank of 75 This selection rank cut-off includes your raw ATAR and adjustment factors.
- you have listed UTS Engineering or IT as your first preference in UAC

Download this template and input your responses to these three questions where asked:

- Why are you interested in studying at UTS and what do you expect to gain from your experience in the Faculty of Engineering and IT?
- Which of your personal attributes and skills will assist you most in your future career?
- Describe something you have created or designed and how it is related to your preferred course.

OR Share your favourite example of engineering or technology and why you think it is amazing.

UTS - Bachelor of Information Technology (BIT) Co-operative Scholarship

Applications Close 3 September

The BIT is a highly competitive course – it's been designed with future leaders in mind. To get in, you'll need to demonstrate how you stand out from the crowd. Successful students generally achieve a Selection Rank of 88-99.95; however, your ATAR is just one component of your application. The interview is all about showing us who you are. You'll need to demonstrate that you're highly motivated and have what it takes to progress to a senior management career.
