

## St Norbert College NAIDOC Basketball Game - 4 August

Both teams were presented with the jersey's which were beautifully designed by **Lachauntae Eades, Charlize Williams and Glenda Cornwall** alongside **Mrs Geraldine Martin**. This was a fun game to watch with everyone having smiles on their faces, and laughter in the atmosphere. It was amazing to see everyone supporting the teams with the O'Reilly Centre full of students and staff cheering.

Our specialised basketball program students showed their outstanding skills on the court with Year 12's **Armeyas Dejene-Teklu** and **Blade Sartorelli** attempting many dunks and the new Year 7's; **Reece Anticevic, Anthony Flores, Dariana Dweh and Deacon Hollow** scoring for their teams. Everyone in the team had outstanding efforts and it was one of many amazing things that the College provides.
