Year 12 Students
John XXIII College
25 John XXIII Avenue
Mount Claremont WA 6010

Dear Candidate,

Become a Swim Teacher at State Swim Osborne Park

We are looking for enthusiastic and motivated Swim Teachers to deliver effective, engaging, and enjoyable swimming lessons for children. Our Swim Teacher roles are fun, flexible, and impactful, and they offer plenty of career opportunities.

We can assist you if you are new to swim teaching or unsure where to start. You don't need to be an elite swimmer, either. What matters is your passion for working with and teaching children the life-saving skill of learning to swim.

State Swim Osborne Park

We are one of the largest Swim Schools in Perth and offer the following to our staff:

- Adult casual rate (hourly rate) starts at \$30.43 (20+ years of age).
- Flexible shifts with mornings, afternoons and weekends available.
- Perfect for high school students, uni students and anyone wanting a flexible work environment.
- Opportunities to develop your career out of the pool with the ability to move into customer service and supervisor roles.
- A family-owned business with a very experienced and supportive management team that makes work fun!
- Commitment to professional development and ongoing training.

Training made easy

- If unqualified, we'll support you to complete your teaching qualification by reimbursing you 100% of the cost of your swimming qualification once qualified. **Terms and Conditions apply**
- You'll get hands-on experience during your 20 shadow hours with one of our friendly, qualified Swim Teachers.
- And we'll teach you the proven State Swim method so you can confidently begin your Swim Teaching career!

Availability requirements

You'll be flexible to work mornings and afternoons during the week, as well as weekend mornings.

Full-Time Team Member – State Swim Osborne Park

Currently, we have a full-time team member position available. Are you planning to take some time off from study or considering a gap year? Why not spend the next 12 months working full-time with us? Please refer to <https://www.seek.com.au/swimming-jobs/in-Osborne-Park-WA-6017> for further information.

If you have queries, please email me at mike.bennett@stateswim.com.au or phone our team on 9444 1044.

We look forward to working with you.

Yours sincerely

A handwritten signature in black ink that reads 'Mike Bennett'.
