

The most exciting news all year!

The last fortnight has been a busy and exciting process as we prepared for our Assessment and Rating with the Department of Education. This occurs every 4 years and each National Quality Standard is evaluated and assessed over two days, eventuating in either a 'Working Towards', 'Meeting', or 'Exceeding'.

In the last assessment we received 4 Exceeding areas, and 3 Meeting. However, this time we were given all 7 of the National Quality Standards in Exceeding! This has not been achieved in the last decade from another service and our corporation is urging us to go for 'Service of Excellence' with the Department. We know we have an incredible community here at St Augustine's and want to thank you for your ongoing support. And of course, to our wonderful students - thank you for making this place a happy, warm and inviting service for all visitors.

Poppy, Laura and Julie.

Special Announcements

Basketball

Basketball starts this Wednesday. Dates on Page 1. It is at **no extra cost** to our usual service. Come exercise and have some fun with us!

Prep Information and Packs will be handed out in the next few weeks. Word of Mouth goes a long way, please share the word of our service.

Quality Area Reflection

If you would like to read our QIP there is a hard copy in our service for you to read.

James' Recipe: Marie Biscuits

You will need smarties, lolly snakes, food dye, Icing sugar and butter.

First, warm the butter for 30 seconds in the microwave. Then mix the Icing sugar and butter in a bowl. Separate the Icing sugar into several bowls and add a different colour to each bowl.

Secondly, spread it on the biscuits.

Lastly, put the smarties on for eyes and lolly snake for a smile.

Children's Newsletter Piece

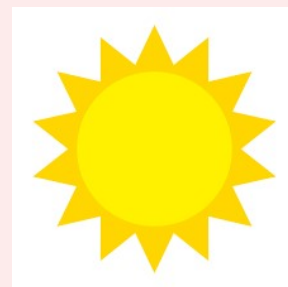

By Oscar and James

This week at OSH Club we did rock painting. It was fun. We unboxed new loom bands! James put his on his glasses. We took a selfie (the one on the left is Oscar and the one on the right is James - he's not wearing his glasses).

Let's Be SunSmart
