Bequests

Leaving a gift in your Will ensures your legacy supports future generations of students. Many high-achieving Paddy Boys have benefited from such generosity in the past. After caring for your loved ones, consider including St Patrick's College in your Will.

Since 1893, St Patrick's College has grown from 24 students to 1,300, earning a reputation as one of Australia's leading Catholic day and boarding schools for boys. The College is known for its enduring spirit – a bond shared by generations of students.

This spirit unites past and present "Paddy Boys" who have gone on to achieve great things as family men, leaders in faith, business and the community. The Annual Giving Appeal invites our community to support the College with a financial contribution, big or small.
