

Interhouse Cross Country 2021

Dear Parents,

Our Annual Interhouse Cross Country is to be held on **Friday 30th April, 2021**
The event will involve those children from Years 3, 4, 5 and 6 representing their houses. **This has been entered on Compass with parents consent being given on line.**

On the day of our Inter-House Cross-Country, I would appreciate the assistance of parents to help with some course management and ensure the safety and well being of all participants. **If you can assist in this way please complete the form below and return it as soon as possible.** I will then assign positions on the course and will notify those involved with a map and with whom they have been paired, if we get enough helpers. By organising helpers in pairs, I hope to have parents available to see their children at the end of their event. Helpers will need to contact me by 8.30 am on the day, (Friday 17th May) to allow for any last minute changes if you are unable to help.
