

Dear Oatlands Primary School Families,

Please note the speed in this school precinct is **40km**.

Please drive safely and carefully to protect all children and pedestrians.

The School Crossing is there to keep everyone safe. Please ensure you are driving at a safe speed near the school crossing on Kurrajong Road and when coming out onto the roundabout on Denver Drive.

Look for the School Crossing Supervisor and pedestrians at all times and keep them safe.

As a driver, keep the School Crossing clear.

Do not stop your car on the crossing. Blocking the crossing is not only against the law, but also dangerous for everyone.
