

THE SCIENCE EXPERIENCE

Hosted by the University of Tasmania **2022**

Open to all Year 9 and 10 students

Tuesday 29 November – Thursday 1 December

Based at the University of Tasmania Launceston campuses

Tuesday 6 December – Thursday 8 December

Based at the University of Tasmania Hobart campuses

A 3-day whirlwind of fun hands-on science, engineering and technology activities. Take part in lab work and practical sessions, tour research facilities, and take on team challenges. Find out about your future study options and career opportunities. Meet other students with an interest in all things science as well as uni students who'll share their experiences.

In previous programs, students have

- Flown a drone
- Identified skulls
- Visited the radiotelescope
- Tested insulation types for buildings
- Learnt about indigenous science
- Checked out virtual reality simulations
- Experimented in the chemistry lab
- Designed a renewal energy system for a town
- Toured the Australian Maritime College and the Institute for Marine and Antarctic Science
- Gone behind-the-scenes at the Queen Victoria Museum and Art Gallery
- And much more!
