

# DRESS CODE - Students

## POLICY

### **Rationale:**

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the uniform policy.

### **Aims:**

- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.

### **Implementation:**

- A uniform policy has been developed that we believe provides choice for the students, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families.
- The uniform policy applies during school hours, while travelling to and from school, and when students are on school excursions.
- Summer and winter uniforms, as well as sports uniforms will be prescribed, and are required to be worn.
- White or navy coloured undershirts/T shirts may be worn
- Only the official school jacket may be worn.
- Students are encouraged to wear KSC logo summer hats or hats of their own choice but should only be worn outside.
- All items of school uniform are expected to be kept and worn in a presentable manner. Skirts and shorts length should consider practical coverage for the various activities of the school day. Students wearing uniform in an unacceptable fashion will be considered to be out of uniform.
- If a student is out of uniform for any reason they should report to the sub school office prior to the first class of the day. Where possible, a replacement article will be provided. Where this is not possible, a uniform pass will be provided on computer.
- School Council requires the Principal be responsible for implementation of the uniform policy in a manner consistent with the Student Code of Conduct.
- Arrangements can be made to supply uniforms via State Schools Relief for families experiencing economic hardship.
