

# Parenting mini series

Parents and carers of primary school aged children are invited to attend this four-week series presented by Victoria University Provisional Psychologists (final year Masters students).

The mini-series will explore the following topics:

- Responding to children's anxiety
- Sibling relationships/ healthy family relationships
- Managing change
- Helping children manage big emotions.

Participants will be able to register for individual topics or all sessions. A resource kit will be provided to Maribyrnong participants when 2 or more sessions have been attended.

**When:** Wednesdays weekly from 3-24 June, 7.30-8.30pm
