- U13 and U14 - G to I divisions

Senior categories include ;

All ACC carnivals use only one age cut-off date for age group classification. The age cut-off date is;

****30th June for those born after 31st December 1996, i.e. born after 1996****

Competitors are permitted to compete in one age group only, for all events.

A competitor who qualifies to compete in U14, but elects to compete in U15 for his or her **FIRST EVENT**, must remain in U15 for all other events, including relays.

TROPHIES

Trophies are awarded in the following categories:

All carnivals:

Junior Boys	Senior Boys	Aggregate Boys
Junior Girls	Senior Girls	Aggregate Girls
Combined Aggregate		

Post Carnival:

In conjunction with the 'Conditions of Participation' (Item 2.8), it is agreed that in the post carnival period, the ACC management will additionally scrutinize all results from the nine (9) carnivals. This stage of the scoring process represents the **final** determination of results. In the event that points scores differ from those announced at the carnival, the schools in turn involved will be notified. Trophies are then to be transferred using minimum process. The final point tallies will also be listed in the ACC's Year Book.

POINTS ALLOCATION

	1st	2nd	3rd	4th	5th	6th	7th	8th
Div I	12	11	10	9	8	7	6	5
Div II	8	7	6	5	4	3	2	1
Relays	24	22	20	18	16	14	12	10

Where draws occur, **each** competitor or team is awarded the higher points. The points for the lower of the positions are omitted. (The points **are not** added together and averaged).

A full analysis of performances and team results are available from the ACC website

EVENT RULES

1. All events are conducted under IAAF rules unless stated otherwise in this booklet or the athletics charter.
2. Competitors are to compete under one registered number only. Their number must be written legibly on the back of their left hand.
3. For all track events competitors MUST report to the marshalling marquee before the event to register their name and number. Marshalling marquees are located adjacent to the start of the event type.
4. If a competitor equals, but does not better the record, the record is considered as a shared record.
5. Competitors are not to be inside the arena unless they are competing in an event.
6. There is no limit to the number of events an individual competitor may compete in.
7. Competitors are to be dressed in the official athletics uniform of their school. The Chief Referee has the power to disqualify a competitor who is not suitably dressed.
8. A high jump competitor must at least clear the starting height to be awarded a place and therefore points.
9. In relay events no student, coach or staff member is to be inside the arena. Athletes must remain on the outside of the track or in the marshalling marquee while waiting for their event.
10. All throwing instruments are supplied. Personal throwing instruments are not to be used unless approved by the AWA Throws Referee.
11. **Start Rule:** Only one false start per race is allowed without the disqualification of the athlete(s) making the false start. Any athlete(s) making further false starts in the race shall be disqualified. Any competitor(s) responsible for the first false start will be warned. At the same time, all the other competitors will also be warned. Any athlete making a further false start will be immediately disqualified.
12. Footwear must be worn by all competitors in all events. Spikes can be worn in all events except for discus and shot put. Spikes must conform to the following rules;
 - All spikes must be blunt Christmas Tree, Pyramid/Cone shaped. Sharp needle point spikes are not allowed.
 - Track spikes must not exceed 7mm and Field spikes must not exceed 9mm, except for Javelin & High Jump which must not exceed 12mm.

Simultaneous Track/Field Competitors

1. Field and track event athletes are permitted to leave the field and re-continue after having competed in the track event.
2. Field event officials will only wait for the return of competitors up to 15 minutes after the start of the next event at that location. If it is the last event of the day at that site the official will wait 15 minutes after the last competitor.
3. To avoid having to return to the field event, a competitor has the option of completing his/her three attempts in succession, outside of the normal tries order, except high jump.
4. The "returning" competitor in high jump events must re-commence jumping at the current height.
5. Track athletes can also use a "dummy" student to marshal for their track event if they are caught up at a field event.
6. Competitors may only leave a field event if they have reported to the site and had their name and number registered in the event.

Parent and Spectator Code of Conduct

The code of conduct provides an ethical framework for a positive, safe and harassment free environment. As a parent or spectator you should:

- Encourage children to participate if they are interested. If a child is not willing – do not force him/her.
- Focus on the child's efforts and performances rather than the overall outcome of the event.
- Teach children that an honest effort and personal best is as important as a victory, so that the result of each event is accepted without undue disappointment.
- Encourage children to always participate according to the rules.
- Never ridicule or yell at a child for making a mistake or losing an event.
- Respect the official's decision. If a result or decision needs to be checked, follow the appropriate procedure in order to query the decision and teach athletes to do likewise. Do not approach officials directly to question their judgement in public.
- Never harass, intimidate or place undue pressure on an official or competitor.
- Never enter the competition arena, track, field event site or officials area.
- Never video or photograph children that are not in your immediate family.
- Recognise the value and importance of the volunteer coaches. They give their resources to provide recreational activities for your child's involvement and deserve your support.
- Athletes participate in organized sports for fun. They are not competing for the entertainment of the spectators only, nor are they "miniature" professionals.
- Applaud all good performances and effort by your teams athletes and their opponents regardless of the competition's outcome.
- Always aim to give children positive motivational comments.
- Show respect for your team's opponents. Without them there would be no competition.
- Demonstrate appropriate social behaviour by not using foul language, harassing participants, coaches or officials.

Officials Code of Conduct

The code of conduct provides an ethical framework for a positive, safe and harassment free environment. As an official you should:

- Ensure that equipment and facilities meet safety standards and assist in the safety and welfare of athletes.
- Be a positive role model in behaviour and personal appearance.
- Feel confident about what you are doing and the decision you are making.
- Value the individual.
- Answer any and all questions asked of you by an athlete.
- Use common sense to ensure that the “spirit of competition” is not lost.
- Accept responsibility for all action taken.
- Be impartial and do not coach athletes whilst officiating.
- Work as part of a team and follow instructions provided by Competition Management, Referees or Chief Officials.
- Avoid any situation which may lead to conflict or to a conflict of interest.
- Be courteous, respectful and open to discussion and interaction.
- Refrain from any form of personal abuse or harassment towards athletes and/or fellow officials.
- Make personal commitment to keep yourself informed of required officiating protocols and up date with technical rules.
- Comply with all rules and policies as published and adopted by the Associated & Catholic Colleges of WA.
- Understand the repercussions if you breach, or are aware of any breaches of, this Code of Conduct.
