

Springvale Community Precinct

Building a Better Springvale

Key changes that affect you

- The library entrance has been moved to the Springvale Road side of the building.
- The customer service car park is no longer available for use.
- The car park off Hillcrest Avenue is now temporarily closed and will remain closed for the coming months.

Parking is currently available at the following locations across the site

- All day car parking is available at the rear of City Hall
- A new temporary all-day car park has been created on Grace Park Avenue at the corner of the precinct and adjacent to the parking at the rear of City Hall. More than 30 car spots are available here.
- A temporary car park is also available between the library and the customer service centre. This can be accessed from Springvale Road. Disabled car parking is also provided here.

P Car parks

Vehicle access throughout the site has been restricted, but pedestrian access is still available. Please see the map above for information on how to access some of the buildings around the construction zone and where parking is currently available.
