Fortnite is a game that is online. You can play with your friends, there are different seasons, right now it is season 9.

There are over 20 million people that play Fortnite there are solo, duos, squads and limited time only modes you can win millions from the World Cup.

Once you get into a game there is a loading screen after that you wait for people to join the match. Then you go in a battle bus then you jump off and go to your location. Then you loot and try to kill people.
