

**MAZENOD**  
COLLEGE

# Old Collegian Tutoring Program

The college has a number of high-achieving Old Collegians who are available to tutor a wide range of subject areas from Year 7 to VCE. Families seeking tutoring for their son can contact the tutoring coordinator and be referred to a suitable tutor. All of our tutors hold a valid Working With Children Check. The program offers a number of additional benefits:

## **Convenient Location**

Students may be tutored at the college from Monday to Thursday in the study hall after school. \*Tutoring may also be arranged to be offsite, online, and on weekends.

## **Reasonable Fees**

VCE tutoring starts from \$40 per hour and Year 7-10 from \$35 per hour. Rates will reflect a tutor's experience but may vary in the case of group tutoring or offsite tutoring.

## **Community Connection**

Since all of our tutors are past students, they relate well to our current students, able to share their lived knowledge and experiences. They are also familiar with our college culture and curriculum.

**Please email all enquiries to our tutoring coordinator,  
Mr. Anthony Yong: [ayong@mazenod.vic.edu.au](mailto:ayong@mazenod.vic.edu.au)**

*The program is continuously growing with over 50 tutors (who are also studying at university) and more than 80 students. However, the college cannot guarantee that a tutor will always be available. Ultimately, this is a referral program provided gratis by the college and is dependent on the availability of our tutors.*
