WHO IS REAL TALK? We provide seminars, reflection days and up-to-date resources to young people on topics relating to identity, technology, relationships, love, sex and marriage. We speak to over 30,000 students each year and will visit each school in the Armidale diocese in 2020.

TBH many kids want to KPC. LMIRL to chat.
IMO we all SRSLY need to know a little more.
[Don't know what all that means – come along to find out! ;)]

TOPICS BEING COVERED:

- **Current culture** and what's impacting our kids.
- Is **technology** taking over your family? Tips to help you understand & manage the world of social media & gaming.
- What's happening to my child? Let's talk **developmental changes** & our kids.
- How can **parents** help?!?

What others have said: Amazing, very educational ... practical guidelines to help us guide our kids ...

I now understand more about technology and current culture ... there is hope! ... relevant ... I feel blessed and empowered that I came along ... highly recommend to parents to keep informed ... something that cannot be missed!
