Hey Yr 10-12 students!

- ✓ **Want to earn some money these holidays?**
- ✓ **Keen to inspire young kids to get creative with technology?**
- ✓ **Are you available during the school holidays?**
- ✓ **If you answered "YES" then Code Camp wants to hear from you!**

At Code Camp we run school holiday programs all around Australia to teach kids a range of cool skills including **coding, Minecraft, DJ'ing, video editing, animation** and so much more!

We're looking for energetic, passionate and proactive high school students to join us as Teaching Assistants. As a Teaching Assistant, you'll provide support to students and help with classroom management while the lead instructor delivers the lesson.

No experience is required - you'll receive full training and be mentored by a team of experienced staff. If you're looking to earn some money, gain valuable work experience, be part of an awesome team and build skills and references - apply today at www.codecamp.com.au/student-opportunities.
