

The Year 12 VTAC Parent and Student Information Session will be presented by Ms Suzanne Connelly, Deputy Director of Publications and Information Services for VTAC. It will be held in the St Bede's College Hall On Tuesday, 31 July commencing at 7 p.m. The evening will conclude by 8 pm.

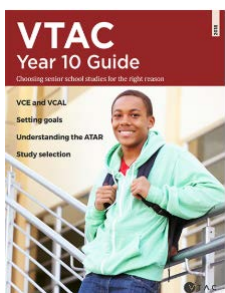

VTAC (Victorian Tertiary Admissions Centre) is the organisation responsible for the administration of the selection process for all University and TAFE courses on behalf of Victorian Universities, TAFE Institutes and private providers. Very practical advice and assistance will be offered to students and parents to help guide them through the maze of the VTAC application process.

If you would like to provide the right advice to your children in Year 12, it is highly recommended that you attend this session with your son.

NEW VTAC PUBLICATIONS FOR YEARS 10, 11 AND 12

VTAC have produced an excellent resource for students and parents titled, [VTAC Year 11 and 12 Guide – Researching Courses and Applying](#). The 2018 VTAC Year 11 and 12 Guide helps students research tertiary courses and leads Year 12 students through the application process.

VTAC Year 10 Guide: Choosing senior school studies for the right reason

The 2018 VTAC Year 10 Guide provides information and activities to help Year 10 students identify their strengths and interests, research tertiary education and choose their senior school studies.

SIGNED WORK EXPERIENCE FORMS ARE NOW DUE.

If your son needs an extension please contact Mrs. Burl on sxb@stbedes.catholic.edu.au urgently. Here is reminder of the dates.

La Salle	23 July to 27 July
Benilde	30 July to 3 August
McCristal	6 August to 10 August
Solomon	13 August to 17 August

YEAR 10 – CAREER EXPLORATION

Last week, all Year 10 students commenced their Career Investigator Plan in preparation for choosing VCE studies, VET and/or VCAL next year. The Career Investigator asked the students to research 3 different career choices/occupations (Plan A, Plan B and Plan C) and record what they discovered about each one. Prior to these lessons, the students were asked to complete a Career Voyage Program which is an internationally recognised, high quality career planning system. After completing a series of questions, the Career Voyage program generated an Occupational Interest Profile, 20+ Job Suggestions ranked in order of suitability, detailed Job information, Qualification Requirements plus more.

By using the Career Investigator tool, the students were able to start clarifying their goals and begin taking steps to map their future. The House Coordinators, and other staff involved in the subject selection interviews next term, will use some of this information to guide their advice to students.
