Year 10 'Early Entry Program' 2019

(For 2018 Year 9 Students)

Dear Parent/Guardian,

Wanganui Park Secondary College will be holding a VCE information evening on **Tuesday 31st July** in the College's main Staff Room. The evening will commence at **6.30 pm** with a view to be finished shortly after 7.00 pm.

This session aims at providing information on the 'Early Entry Program' where a Year 10 student does a Year 11 VCE subject. This provides considerable benefits to the student and is an ideal preparation for VCE. If your child would be interested in choosing this option please consider attending this information session.

Copies of the Senior Course Guide will available for you to borrow. It provides a detailed outline of units available and information on the VCE. An electronic copy of the guide is also available on the College website.

The aim of the evening is to provide:

- An outline of the VCE
- An explanation of the Early Entry Program
- An outline of the potential benefits of participating in the Early Entry Program
- General advice on unit selection

We look forward to your attendance at what promises to be an informative evening.
