Around the Grounds

6A

Saturday morning saw the 6A boys continue their strong start to this year's AIC competition. The message was to start the game strong, which was executed well by the boys going up 3-0 early with goals from Oscar Munro and Lewis Shirley.

The half-time break stopped our momentum, with the quality of the game overall dropping until the final whistle. Nonetheless, some sharp finishes saw the game finish 6-1 in Marist's favour. Some strong moments and good foundations to build off, with some good lessons to learn and areas to improve.

6B

Great turn around this week following a tough draw. Despite ATC's goalkeeper having a cracking first half, keeping the scoring sheet to zero, the 6Bs were able to turn it around following half time. With low numbers and only one on the bench the boys dug deep and were able to find the back of the net twice. Josh George came away with two for the day, with an awesome left boot.

Defensively, the 6Bs were resolute, limiting the opposition to few clear chances. Special mention to Noah Cairns who shows some true passion and love for the game when on the field. Midfield control and quick transitions kept the pressure on throughout. The result reflects a strong team effort and builds momentum heading into next weekend's fixture.

6C Blue

In true Marist 6C Gold fashion, the young men delivered a clinical performance, securing a dominant 2-0 win over MCA 6C Gold. The energy and sense of brotherhood the 6Cs have developed in the past week really shone through on Saturday morning - very exciting for Reagan and I to see!

The match started slow, both teams seemingly equal. After a few missed opportunities from our boys, Tom finally struck, etching his name onto the scoresheet. Not long after, he once again, through an artistic display of dribbling, found the back of the net. The opposition fought back fiercely, often penetrating our back line and would normally lead to numerous goals, if not for Ben Blinkhoff.

His effort plays in every possession went far from unnoticed. Every time 6C Gold looked threatening in offence, they were met by Ben, who quickly disassembled all momentum they were building and regained possession. His ability to be a dominant presence in both defence and offence was a marvel to watch, and I personally am looking forward to seeing what else he has to offer in the coming weeks.

Overall, the match was a demonstration of how hard the young men have worked throughout the first few weeks of the season, and every player proved vital to the success of the team on Saturday morning. Keep up the hard work gentlemen!

6C Gold

On Saturday the boys rocked up prepared for a tough battle against their fellow Marist students, and they sure delivered. The first half was a strong battle with the boys being 0-0 until a great shot from a 6C blue player put us behind. However, they didn't let that get to them as they came out blazing in the second half with numerous close chances hitting the post twice. Unfortunately, 6C Blue were too strong on the day but a special shoutout to Rafael and Leo for their steadiness in defence.

6D

Although there was no lack of effort, the boys just got outplayed by a good Padua side. The boys were persistent but came to no avail as they struggled to get past Padua's strong defence. I would like to shoutout Oscar Symmonds for his first half efforts in goal, keeping the score at 2-0 going into the half, and Jacob Cagney for his consistent effort and determination to try and get us a goal, despite the high score line and most heads dropped.

6 Violet

After a dominant performance last week, the boys were keen to get back on the pitch and continue our winning ways. The wet weather proved a challenge in controlling both power and accuracy with our kicks, but we got stuck in early and thanks to a great goal from Eli D we got off to an early lead. The rest of the game was a testament to our defence, who fought tooth and nail to keep a clean sheet and limit the opposition to very few shots on goal. Was a very good performance across the pitch today and looking forward to keeping our winning ways going into next week

6 White

6 White were eager to improve on last week's disappointing result, and were excited to be playing with a full starting 9. The game started neck and neck, but some great long-range shots from Padua gave them a lead.

The game continued to be relatively even in the midfield, but Padua's much larger bench eventually made an impact. We were outworked more and more as the game went on, which saw the lead get even larger. Some lapses in concentration defensively certainly didn't help, leaving us with a disappointing result for the week.

Jacob and Tom set a great example this week with their work ethic, while Ned made some great tackles to keep the score from inflating any more. As the boys continue to learn about positional play and the team-wide work ethic improves, the results will become more positive.

5A

Good performance for everyone, good combination play, the team is getting stronger every week

5B

In a commanding performance, the 5Bs delivered a statement win over St. Peter's, shutting them out 14-0. Key contributions came from multiple players, emphasizing the depth and unity of the squad. The game was a showcase of hustle, strategy, and execution, leaving no doubt about the

5Bs dominance.

With this win, the 5B's continue to build momentum and prove themselves as a team to watch this season.

5C

What can be said when the result is 14-0 and the Man of the Match is the opposition keeper.

Our keeper did not have to use his hands at all. George's parents will not have to wash his clothes. This was the result of a dominant display from our four defenders. Captain Harry was ferocious in his marking, John was sharp with his control of the ball, MOTM Jack had a complete dominance on his side both in defence and when he played midfield and super sub Dylan slotted into the team like he has been there for ages.

Then the midfield was all class. Nick had his best game so far going up and down the field like a piston, Cameron dominated the very tricky CDM position and Dan showed his natural ability with soft touches and fantastic crosses.

The strikers were ruthless. Lachie seems always know how to be at the right place at the right time and Alex was dangerous with some great shots.

We did say to the boys that this win should not get to their heads. SPLC tends to be the easier game in the season as they have less boys in each level than we do. We need to regroup this week, there are still lots of things to improve for next week.

5D Blue & 5D Gold

In a friendly clash between Marist College's 5D Gold and 5D Blue teams, it was Gold who came out on top with a 3-0 win. The game was played in great spirits, with plenty of energy and effort from both sides. While the scoreline suggests a comfortable win for Gold, the match itself was competitive and full of good moments for both teams.

Gold managed to take their chances well, scoring once in the first half and adding two more in the second. They moved the ball nicely and were sharp in front of goal. Blue, on the other hand, worked hard and had a few promising chances but just couldn't find the back of the net.

From a 5 Blue point of view, there was a lot to be proud of—especially the defensive work. My man of the match was Japsar Kallio, who put in a huge shift at the back. He made some key tackles, stayed calm under pressure, and gave everything from start to finish. It was a strong performance that really stood out.

All in all, it was a good hit-out for both teams with lots to build on moving forward.

5 Violet

The second round of the season brought us up against a strong Terrace team, and an excellent team performance led the 5 Violet lads to a tightly contested 3-1 victory, with just 9 players, to pick up our first win of the season. Man of the match, Luca Rolls, had an outstanding game, shutting down opposition attacks and bringing the ball forward strongly, topped off by a brilliant long-range goal. Sebastian Smythe showed his class in defence, constantly making life tough for the Terrace offence. Leo Clifford was excellent in midfield, putting his opponents under lots of pressure, and making some great tackles and passes, as well as bagging himself a late goal.

Special mention to the two goalkeepers, Christopher Pollard and James McSweeney, who made some outstanding saves to hold Terrace to just one goal in tough, wet conditions.

Let's keep going next week gents!

5 White

A hard-fought football game for the lads of 5 White against Villa at a very wet and rainy Villanova fields today. Being one player down didn't deter them and the team played with intensity and enthusiasm for the entire game.

MVP Ryan Noronha scored what will be one of the goals of the season; stealing the ball down near our goal post, dribbling the length of the field weaving through five or six Villa defensive players to shoot the ball sweetly into the corner at the other end of the field. Fellow MVP Eamon Conroy was super supportive and encouraging of his fellow teammates and put constant pressure on the opposition in both attack and defence. And Sam Hazel showed his ability to play to the game plan with excellent defensive work in the second half. His clearing kicks down the line, as well as great saving kicks out of bounds to stop the Villanova drive to the goal, helped to keep the pressure off Eddie, our goalie.

This 5 White team has lots of potential and play very well as a team. This week we will work on following up our kicks down the field allowing us to get in goal scoring position, as we look to have our second win of the season next week.

Finally, a BIG thank you to Rob Hazel for taking over the refereeing of our game in the second half when the referee had to leave. It was very much appreciated by players and coaches of both teams.

5 Red

In their second round of competition, the 5 Red Football Team faced a rare opponent in Gregory Terrace and secured a commanding 6-2 victory. It was a memorable match, played in great spirit by both teams. Marist took control from the outset, showcasing strong defensive strategies that enabled consistent ball clearance and maintained pressure in the opposition's half for most of the game. Despite limited time together as a team, the boys displayed impressive cohesion and teamwork.

Tristan Nicoletti earned Man of the Match honours with a remarkable four-goal performance, while Harry Carter contributed the remaining two. Beyond the scoreboard, the team exemplified what it means to be Marist—showing humility in victory, avoiding boastfulness, and being gracious winners. Their attitude and sportsmanship were as commendable as their performance on the field.

This week, training will focus on refining on-field positioning and improving attacking runs toward the goal line.
