

# Murrumbeena P.S. Beena Believers

Last year in October MPS participated in our local Relay For Life for the fourth time in a row. Our team consisted of many parents, teachers and students from all levels. This event is held annually at Duncan Mackinnon Reserve for a 24 hour period and our team has to keep our baton going around the track for the whole 24 hours constantly. A roster of many people come down to help out for an hour at a time and some have even camped out for the night! Heaps of fun is had by all involved!

Along with walking / running around the track, we also fundraised on behalf of the Cancer Council. We raised **\$5,157.15** as a team. Over the past four years, this now brings our total of fundraising up to nearly **\$19,000**

This has been a great effort and our team has grown in numbers over the years. This year I am very lucky to have the assistance of two other mums who want to help out in making this year, our fifth Annual Relay For Life, a very special one. This year's date to mark down on your calendar is .....

## Saturday 10 & Sunday 11 October 2015

If you THINK you MIGHT want to be a part of the team this year, please complete the form below and return it to the office so that we can put you on our email list to keep you updated with information, dates and times, and so that you can be part of the fun!!

Congratulations to all involved last year, a job well done with so many funds being raised! If anyone has any questions or if you want more information about the event, please don't hesitate to get in touch with me.
