Temporary changes to Frankston Line express services

Express trains along the Frankston Line will be replaced with trains stopping all stations from **Monday 12 December to mid-2023**.

It will minimise disruption for passengers by avoiding a lengthy closure of the Frankston Line, allowing crews to work safely on the track.

There will be up to a 10-minute increase in journey times to these services.

At Glenhuntly Station Platform 1 will be closed from **Monday 12 December to mid-2023**.

During this time, trains between Glenhuntly and Moorabbin will not stop at Platform 1. City bound trains will depart from Platform 2, while Frankston bound trains will use Platform 3.
