

We are looking for local businesses and stall holders to join us at our end of year Twilight Fair.

We intend that this event will involve the entire local community and be a day of fun and excitement for all ages.

There will be market stalls, an entertainment area showcasing an array of talent, a jumping castle, kids play area, animal nursery, fun activities for the kids and visits by the police & fire station.

All classes from our school will be involved in some way or another and everyone is very excited!

If you are available on this date and would be interested in coming along please contact Jaime on 0408 334 761 or email at jaimenuske@gmail.com for more details and application form.
