

Dear Parent/Guardian,

Berwick Chase Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all you support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Whilst funding covers fulfilment of the standard Victorian curriculum, it is your voluntary contributions that will enable the provision and continuation of the many programs and offerings that make Berwick Chase Primary school a stand out experience for students, such as additional digital and classroom resources, a full time first aid attendant to care for your child should they need it, additional resources and equipment to enhance our specialist programs including Art, Science, Library, Digital Technologies and Physical Education and a wellbeing network to support children through their primary school years. Without your contributions, these initiatives are not possible.

Berwick Chase Primary School Council has approved the following Parent Payment arrangements for 2024, which includes an overview of what your contributions will go towards.

We thank you in advance for your ongoing support to make Berwick Chase Primary School an enriching place where children can enjoy an exceptional primary education experience.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Chris Short
Principal

SCHOOL PROCESSES
